## 3. Re-evaluation, Re-totaling, and Script Inspection

Students may request re-evaluation of their end-semester answer scripts within 7 calendar days of result publication via the Exam Controller portal. A non-refundable processing fee of $20 / INR 500 per course applies. If the revised score changes by more than 10%, the re-evaluation fee is refunded.

## 4. Supplementary Examinations

Supplementary examinations for failed courses ('F' grade) are conducted annually during the Summer break in July. A student can appear for a maximum of 4 supplementary papers in a single examination session.
